Join a growing global movement to prevent nuclear war and pave the way for the security and stability of a nuclear-weapons-free world.

“A commitment not to be the first to use nuclear weapons under any circumstances, as a step to a world without such weapons, would be a powerful tool to achieve that goal.”

Ambassador Sergio Duarte, President of Pugwash Conferences on Science and World Affairs.
Former United Nations Under-Secretary-General for Disarmament.

Program:

- Introductions to **NoFirstUse Global** from cosponsoring organizations
- Video messages from prominent supporters
- Launch of social media action ‘*Don’t even think about starting a nuclear war*’
- Questions and comments from the audience/participants

About NoFirstUse Global

NoFirstUse Global is a new platform and coalition bringing together organizations, academics, policy makers and civil society advocates working for adoption of no-first-use policies by nuclear-armed States, support for such policies from nuclear allied countries, promotion by non-nuclear countries and the follow-on implementation of such policies.

NoFirstUse Global provides information, resources, forums, actions and events on No-First-Use policies and how they can contribute to nuclear risk-reduction, conflict de-escalation, non-proliferation and disarmament.

Co-sponsoring organizations
